## Parent/guardian waiver for participation in athletic tryouts

I give my son/daughter \_\_\_\_\_ permission to participate in tryout sessions at Park Junior High School. I am assuming responsibility for his/her physical ability to participate in tryouts. I understand that should he/she be chosen for the team, a current (less than one year old) physician's examination must be obtained and be on file with the school nurse for him/her to participate in this sport.

This form, signed by a parent or guardian is a requirement for a student to tryout for all athletic programs at Park.
