

LAGRANGE 102  
STUDENT TRANSPORTATION

August 25, 2020

Greetings Parents:

It is back to school time and back to the bus time!

Here are some important things to know about student transportation for this school year.

All district bus routes and schedules will be posted on our website. The routes will indicate all stops the buses will make. Please select the stop that is closest to your address. If you are uncertain about which stop to select you may contact your local school office. If you are uncertain if your student is a bus rider, please also contact your local school office.

It is important to note the arrival times of the buses to each stop. Please **allow for 10 minutes earlier or later for each stop.** Smaller children should be accompanied to the stops by an adult or older child.

**All students must enter the buses with masks.** You will need to self-certify your student daily with your school before entry on the buses. All bus riders will have to maintain a distance of six feet apart on the buses according to current state guidance. Bus riders are expected to follow the guidelines for conduct as outlined in the district handbook and discipline policy. Failure to do so can result in having bus riding privileges suspended.

Ogden and Cossitt Schools **will not** have morning bus service. Both schools will however have afternoon bus service.

There will be a morning and afternoon shuttle bus from Ogden and Cossitt Schools to Barnsdale Early Childhood Center.

Forest Road and Park Jr. High will have midday service buses. Check with your local school to verify if your student is a midday bus rider.

To contact the bus company in the event of an emergency, you may call **First Student Bus Company at (708) 352-9050**. If you have any questions or concerns about general bus service and routes, you may contact Tonisha Sibley, Assistant Superintendent of Finance and Operations at the Administrative Center at (708) 215-7003.

We are looking forward to having a wonderful school year amidst these challenging times!
